To the Board of Trustees, St. Luke's Hospital,

19

We have made an examination of the books and accounts of St. Luke's Hospital for the year ending December 31, 1932, and certify that in our opinion the foregoing Balance Sheet and accompanying statement of Income and Expenditure have been properly prepared from the books, and subject to the omission of a specific provision for depreciation of the Hospital buildings since 1912, fairly set forth the financial position of the Hospital as at December 31, 1932, and the results of the PRICE, WATERHOUSE AND COMPANY. operations for the year ending on that date. Chicago, Illinois.

Chicago, April 24, 1933.

REPORT OF THE SCHOOL OF NURSING FOR THE YEAR 1932

In briefly reviewing the activities and experiences of the past year, we are led to believe that while many plans remain incomplete because of economic conditions, certain policies probably

far-reaching in their influence have developed.

Recognizing the fact that there seemed to be an oversupply of graduate nurses and that unemployment among graduate nurses seemed in many instances rather acute, it was considered important to work toward some plan of decreasing the enrollment in the School. These plans became effective with the class enrolling in September when only thirty students were admitted. This very material reduction was possible because of the splendid co-operation of the private duty nurses of St. Luke's Hospital who signified their willingness to aid the Hospital during this period of financial stress. In this plan, the nurses offered to give one month's service without pay in two periods of two weeks each while waiting for calls for private duty service. The majority of these nurses expressed themselves as feeling that the time spent in the Hospital would be valuable because of learning new methods and treatments.

The policy of charging a tuition fee of seventy-five dollars to students during their first semester in School became effective when the students enrolled in September. The fees collected have

been used to supplement the present graduate staff.

Plans for affiliation for contagious disease nursing were completed with the Municipal Contagious Disease Hospital through the co-operation of Dr. Herman N. Bundesen, President of the Board of Health.

This experience covers a period of three months and is available to approximately fifteen senior students each year. Because of the importance of this experience as part of the nurses' preparation the consummation of this plan was exceedingly important.

Miss Alice Schwedler returned in June after having a most interesting and profitable year as a scholarship student at Teachers College, Columbia University. The need for a teaching supervisor for the students having experience in the Out-Patient Department had long been felt. Because of Miss Schwedler's interest and post-graduate preparation, she was appointed as teaching supervisor.

Miss Emma Gross, a graduate of 1927 and a member of the faculty was awarded the scholarship for Teachers College for the school year and granted a leave of absence for post-graduate

study.

Miss Nelle Beeby, supervisor of the Obstetrical Nursing Service, was granted a scholarship by the Woman's Board and spent the summer quarter in post-graduate study at the University of Chicago.

Words fail to express the sincere gratitude of the various members of the faculty who have had the opportunity for post-graduate study made possible to them by the Woman's Board. Each nurse has returned to the School and through her broadened experience has made many worthwhile contributions.

The income from the Herman H. Hettler, Jr. Fund which amounted to approximately five hundred dollars in 1932, was used for concert and theatre tickets, lectures and parties. A considerable sum was used for outdoor activities. Representatives from the student group assisted in the plans for the recreational affairs.

The usual Commencement activities were held during the first week in June, the graduation exercises occurring on the evening of June 9th.

Each year the members of the graduating class and their friends and relatives are deeply moved by the impressive services arranged through the courtesy of St. James Church. We are greatly indebted to Rev. Duncan H. Browne, Rector of St. James, to Mr. Leo Sowerby, Choirmaster and Organist, and to Rev. Wm. T. Travis, Rector of Grace Church, for their untiring efforts and many kindnesses in making this a memorable service.

May I take this opportunity to thank the various members of the Board of Trustees, the Woman's Board and the Medical Board for the support received during the past year. They have contributed to the comfort and well-being of the officers and students in the School during a very difficult time.

During the past year we have cared for patients who seemed to have been more seriously ill than in previous years. Their problems have been many and the ability and spirit of the faculty and student nurses have been tested and unusually well demonstrated. In this report I wish to pay tribute to their untiring efforts and devotion.

Respectfully submitted,

ADA REITZ CROCKER, Director of School of Nursing.

THE HENRY BAIRD FAVILL LABORATORY

The routine examinations completed in the Laboratory during the year 1932 are summarized in the following table. The decrease in the total number of examinations below the number of 1931 is about eleven per cent.

Red and white blood counts, and hemoglobin	
estimations	29,238
Blood coagulation tests	
Differential blood counts	. 953
Blood typings	
Gastric analyses	. 603
Stool analyses	
Urinanalyses	15,654
Bacterial examinations	
Widals	. 32
Blood cultures	
Typhoid vaccines	
Guinea pig autopsies	. 60
Milk and cream examinations	
Blood Wasserman tests	. 1,984
Spinal fluid examinations	266
Blood compatibility tests	. 224
Chemical examinations	
Postmortem examinations	. 127
Surgical tissues	3,952
TOTAL	
TOTAL	65,234
SOCIAL SERVICE DEPARTMENT LABORATE	ORY
Red and white blood counts, and hemoglobin	
estimations	3,740
Differential blood counts	209
Gastric analyses	1,305
Stool analyses	646
Urinalyses	7,672
TOTAL	. 13,572

The research work in the laboratory was continued in spite of curtailed support. Dr. A. P. Locke, the Seymour Coman Fellow of the Chemistry Department of the University of Chicago, Miss Edna Main, the Charles H. Schweppe Fellow, and David O. Rosbash, the Eli Lilly Fellow extended their investigations on the copper and iron contents of tissues in health and disease. Miss Main's appointment was completed on July 1st and later Lawrence Shinn joined the group, an appointment made possible by a grant of five hundred dollars from the American Medical Association for this work. Dr. Graham Kernwein held the John Jay Borland Fellowship until July 1st, and Dr. Gene Kistler for three of the summer months as an interim appointment to continue research studies while on vacation from his teaching duties at the Medical School of the University of Alabama. Other research investigations were aided by the Watson K. Blair Memorial Fund and by the Winfield Peck Memorial Fund administered through Dr. Joseph A. Capps.

The following reports have been published or accepted for publication through the year.

FRANKLIN S. DuBOIS:

"Myeloblastic Sarcoma of the Scapula Associated with Chronic Splenomyelogenous Leukemia."

RULES

AS TO

ENDOWED ROOMS AND BEDS

A donation of \$5,000 endows a bed in a ward with the right to name the bed in perpetuity, but without the right to nominate occupants for the bed.

A donation of \$7,500 endows a bed in a ward with the right to name the bed in perpetuity and the right to nominate the occupants of the bed during the life of the endower.

A donation of \$10,000 endows a private room with the right to name the room in perpetuity, but without the right to nominate the occupants of the room.

The sum necessary to endow a private room in perpetuity with the right to name the occupants thereof shall depend on the size, location and general desirability of the room selected.

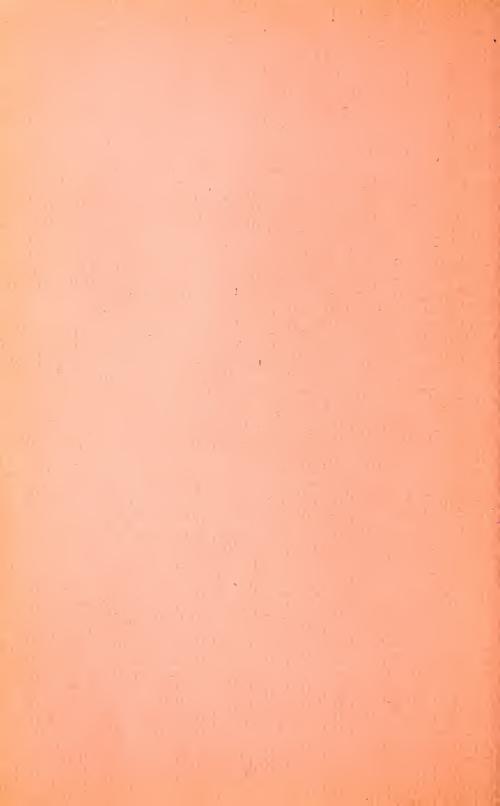

The right to nominate the occupants of a bed or room shall be understood to mean:

That the endower shall have the right to nominate one patient at a time to occupy the said bed or room, and if all beds or rooms are occupied to a preference over all other applicants when a vacancy occurs.

In the event that an endowed bed or room is occupied the Hospital reserves the right to place the patient in some other equally good bed or room.

Persons nominated to free beds or rooms should be worthy subjects for such charity.

Persons whose means admit of their paying for hospital care and treatment are not acceptable as occupants of free beds.

REPORT OF THE PRESIDENT

To the Board of Trustees, St. Luke's Hospital, Chicago, Illinois.

Gentlemen:

I beg to submit the report of The Woman's Board for 1932.

Our Board now numbers 4 Honorary Members, 4 Senior Members and 56 Active Members. We have had 3 resignations, Mrs. William E. Casselberry, Jr., Mrs. Samuel Insull and Mrs. Frank X. Walls, and have elected 4 new members, Mrs. Cyrus H. Adams, Miss Beatrice Borland, Mrs. John I. Shaw and Mrs. Charles R. Walgreen, Jr. We have lost by death, Mrs. Lewis L. Coburn, a Senior Member, and Mrs. Edward I. Cudahy, an Active Member.

We have carried on our usual activities and the ever-increasing work of the Social Service Department.

Our 1932 Fashion Show will net us \$15,927.02. We nearly equaled our largest audience, but as we had reduced our prices, perhaps too drastically, our profit fell rather sharply. The amount realized we hope will finance the Social Service Department for 1933.

Our other committees must be taken care of from our savings. The Linen Committee, with the income derived from its invested savings and from the Roloson and Landon bequests, hopes to be able to carry on for this year without help from The Woman's Board. The smaller Training School and the low hospital occupancy reduce its necessary budget very much. The Hettler Fund greatly helps the Nurses' Committee and it will be possible to finance the Columbia Scholarship and the Chicago University Summer Scholarship with money on hand in that committee. This leaves the Occupational Therapy, the only other large committee, to be taken care of. Plans are under way for probable curtailment without loss of efficiency. Our other committees do not require large financial aid from The Woman's Board and we hope to be able to continue as usual in 1933.

Donations from The Woman's Board and members Woman's Board to St. Luke's Hospital for 1932 are as fo	
Salary of Miss Shannon, Recreational Director\$ Free Bed Fund	2,600.00
Linen Committee, for Garments, Linen for Training	
School, Salary of Supervisor, etc	4,344.45
Kindergarten Committee	247.53
Layette Committee	332.71
Nurses' Committee	2,209.73
Occupational Therapy Department	3,375.66
	28,764.63
Clothing Committee	364.78
Easter Flowers	30.55
Christmas Trees, wreaths, flowers, etc	85.14
Toward 1931 Hospital Deficit:	
By Woman's Board\$2,500.00	
By a Member of The Woman's Board. 500.00	3,000.00
<u> </u>	46.973.03

Mrs. Kersey Coates Reed had the furniture recovered, gave new curtains and redecorated the Helen Shedd Reed Room.

In closing I wish to thank the Trustees for their interest in our activities and for their co-operation in the undertakings of The Woman's Board, and for myself, their friendliness at these Trustees' meetings that I am privileged to attend.

Respectfully submitted,

EMILY LYON GARY.

January 19, 1933

President

ANNUAL REPORT OF THE CORRESPONDING SECRETARY OF THE WOMAN'S BOARD OF ST. LUKE'S HOSPITAL

Notices of nine regular meetings and the annual meeting sent to members of the Woman's Board.

Mrs. Edward L. Ryerson, Jr.,

Treasurer, Woman's Board of St. Luke's Hospital,

Chicago.

Dear Madam:

In accordance with your request we have audited the accounts and records of the Woman's Board of St. Luke's Hospital for the year ended December 31, 1932.

We examined and compared the book records with the bank statements and submit herewith a statement of Cash Receipts and Disbursements for the year 1932, showing a balance in bank of \$22,854.73, which amount was reconciled with the bank statement.

We submit herewith a reconciliation of the bank balance as at December 31, 1932.

We examined the investment securities held in the vaults of the Lake Shore Trust and Savings Bank as follows:

\$4,000 American Rolling Mill Company 5% Sinking Fund Debenture, Due January 1, 1948.

\$5,000 Kentucky Utilities Company 5% First Mortgage, Series "H" Bonds, Due February I, 1961.

Interest amounting to \$450 on above bonds was received during the year and duly deposited in the bank.

Yours faithfully.

January II, 1933.

ARTHUR YOUNG & COMPANY.

FLOWER REPORT

1932

A rose was put on every breakfast tray on Easter and Christmas. Christmas trees were purchased and decorated on each floor and in the Michigan Avenue court, donations of various members of The Woman's Board.

ANNUAL REPORT OF THE KINDERGARTEN COMMITTEE FOR 1932

On Valentine Day, Washington's Birthday, St. Patrick's Day, Easter, Decoration Day, Fourth of July, Halloween, Thanksgiving, and Christmas, parties were given and appropriate favors supplied for the children.

During the year a ten dollar donation, from Mrs. Chauncey Borland, and a five dollar donation from Mrs. John J. Mitchell, were used in buying the favors and candy for Valentine's Day, Washington's Birthday and St. Patrick's Day.

A pupil-made slide outfit and a cart for carrying school supplies from the various floors were purchased for Miss Bonfield.

At the October meeting the Board voted to give Miss Bonfiend ten dollars a month, which she should use for buying the necessary school supplies, which was not taken care of this year by the Board of Education. It was also voted upon to reimburse Miss Bonfield for anything she had supplied from her own money. This amounted to eight dollars.

Mrs. Frank O. Lowden gave fifty dollars for the childrens' Christmas presents. Each child received two gifts that they could take home, and the balance was used in supplying the floor with toys to be kept there permanently.

Mrs. John W. Gary gave the children a Noah's Ark, which gave them much pleasure.

The Service Club donated the Christmas trees. Miss Jean Schweppe sent the children a lovely doll's crib. Mrs. Selim Mc-Arthur gave many toys, as did numerous other members of the Board, which all added to make the Childrens' Christmas party a very happy one.

ANNUAL REPORT OF MEMBERSHIP COMMITTEE 1932

During the year 1932, the Woman's Board of St. Luke's Hospital lost by death one of our Senior members, Mrs. Lewis L. Coburn, and one of our Active Members, Mrs. Edward I. Cudahy.

There were three resignations from the Active membership list—Mrs. Samuel Insull, Mrs. Frank X. Walls, and Mrs. William Casselberry, Jr.

Four new members were added—Mrs. Cyrus Adams, Mrs. Charles Walgreen, Jr., Mrs. John I. Shaw, and Miss Beatrice Borland, making 4 Honorary members, 4 Senior members, 56 Active members, and 4 vacancies.

Respectfully submitted,

HELEN SHEDD REED.

Chairman.

Total Expenditures	\$2,209.73

Balance in Bank, December 31, 1932..... . . \$2,611.11 Mrs. Kersey C. Read had the furniture in the Helen Shedd Room re-upholstered. The Nurses Committee paid for the cretonne for the living room in the Stickney House.

Of the eight nurses sent to Columbia University, and the Chicago University Summer School, since 1929, six—Miss Beeby, Miss Schwedler, Miss Frost, Miss Rudolph, Miss Hubbard and Miss Gilbert,—are on duty in the hospital. Miss Gross is still at Columbia, and Miss Nicolai is taking further study at Washington University.

With the exception of the epidemic of flu in February and December, 1932, the health of the nurses in the hospital is unusually good.

Mrs. Crocker appreciates greatly the kindness of the members of the Board who have sent concert, opera and theatre tickets for the nurses.

ANNIE E. FRANKENTHAL.

Chairman.

ADMISSION OF PATIENTS

For Children Under 12 Years of Age . . \$1.00 per day
The Charge for Open Ward Beds is . . \$4.00 per day
The Charge for Semi-Private Beds is . . \$4.50 per day
The Charge for Private Rooms is \$5.50 to \$17.00 per day

The Hospital cares for an average of about one hundred and fifty wholly free patients and will, when there are vacant beds in the open wards, receive patients whose means are limited for any sum which they may be able to pay and those without means as free patients, provided they are admissible under the rule governing the admission of patients.

Applications for the admission of patients who are unable to apply in person, must be made prior to sending them, and should be made between the hours of nine a. m. and five p. m. All promises of admission are made subject to the result of an examination, as to admissibility, on their arrival at the Hospital.

The financial status of all free or part pay patients is investigated by the Social Service Department and free treatment will not be given unless justified by the report.

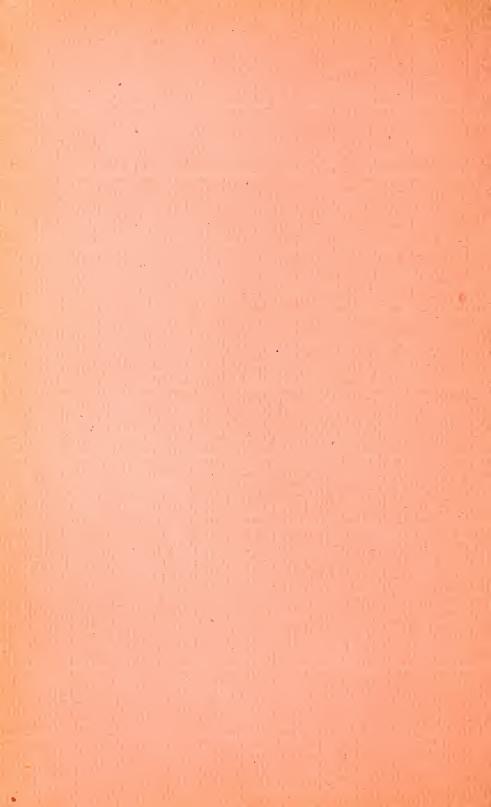

Patients will in the usual course be received only between the hours of nine a. m. and five p. m., but emergency cases will be received at any hour.

Visitors to patients in the Main Building should apply at the Indiana Ave. office.

EXTRACT FROM RULES

"The Hospital is for the treatment of acute, curable, non-contagious diseases and injuries. The following are inadmissible: Sufferers from contagious, dangerously infectious, or incurable diseases, drug habits, delirium tremens, insanity and persons whose presence in the wards would be prejudicial to the welfare of the other patients.

"Patients who refuse to accept the treatment prescribed by the Medical Staff, or refuse to comply with the instructions of the physicians or nurses, or who willfully violate the rules of the Hospital will be discharged."

Occupational Therapy Department, Committee, St. Luke's Hospital, Chicago.

Dear Mesdames:

We have audited the books and receipts of the Occupational Therapy Department of the St. Luke's Hospital for the year ended December 31, 1932, and submit herewith a statement of cash receipts and disbursements for the period.

Cash disbursements were supported by paid bills and cancelled checks. The amount of cash in bank was reconciled to the bank statement.

Yours faithfully,

ARTHUR YOUNG & COMPANY.

ANNUAL REPORT SOCIAL SERVICE DEPARTMENT

1932

The Social Service Department during one of its hardest years has taken care of 63,539 clinic patients, an increase over 1931 of 6,887. Last year we felt it impossible to care for a larger number of patients, but the unfortunate conditions with the unemployed, and the suffering in our community, St. Luke's has more than carried its share in caring for the sick in Chicago. With no increase in our personnel it would have been impossible to have carried on this work without the great interest of our efficient workers who willingly gave longer hours in the clinics. We do wish to express our gratitude to the personnel of the department for their untiring efforts and self-sacrifice.

The last six months of the year we have arranged to take patients from the Emergency Welfare Relief; their daily number of visits have been from 75 to 125, and the cost of medicine furnished patients has increased about 50 per cent.

The statistical reports of the various departments show a very definite increase during the past year. The number of new patients accepted for care shows a decrease.

Early in May we began a system of interviewing and admitting applicants for clinic service on the basis that now obtains in many of the foremost Hospital Social Service Departments in Chicago and other parts of the country.

In this system one worker interviews every prospective new patient and advises those who cannot be accepted as to other hospitals, clinics, and dispensaries where care may be given. Patients who have already received treatment in other clinics in the city are sent back to them to have their care continued. Patients under the care of private physicians are sent back to them for a letter of reference and the intake of new patients is controlled by appointments made in advance unless the clinics in session receive the patients for immediate service.

The patients who are rejected have their individual situations carefully discussed and if it is advisable or necessary the clinics to which they are being sent are telephoned and arrangements made for their reception. In this way the patients have a feeling that they are being given some assistance and a loss of time and carfare is avoided in preventing haphazard searching for care.

We found many old patients returning to clinics whose records

have been closed for 10 years or more. The number of patients referred by private physicians to the clinics for care has also shown a very definite increase.

During the summer 154 children and 29 mothers were sent to camps for summer outings—from 1 to 10 weeks. In August, 200 children were taken to Ringling Brothers Circus, and through the courtesy of the Junior League, we were permitted to send 50 children to each Saturday morning play.

Seventy-five of our children attended the dinner given by the Church Club of Chicago at the Stadium during the holiday season. One boy, 12 years of age, was delighted to find he was eating turkey, for it was the first time in his life. A little colored girl, radiant with joy on receiving a doll, was asked by someone where she had gotten it. She replied, "Mister, I don't know if it came from God or Santa Claus."

Miss Alice Schwedler joined our staff as Teaching Supervisor in September. Miss Schwedler's work with the student nurses has greatly increased the efficiency of the nursing service in the Out-Patient Department.

The growth of the clinics is dependent on the number of hours the doctors, on our Staff are able to give, and to them we owe our thanks for their devoted, loyal and generous attendance.

The following report of the Medical Clinics will serve to give an idea of the work in each department:

There are six sessions of the Medical Clinics held weekly, every afternoon but Saturday, and on Sunday morning. There are eighteen Medical Staff doctors in attendance, six of whom give two half days a week to the Out-Patient service. Seven staff doctors attend the Sunday sessions and thirteen give service at weekday clinics. Misses Anne Byron Smith, Dorothy Dewes, Barbara and Dorothy Senn, Florence Otis, Alice May Dickinson, Beatrice Borland and Jean Schweppe, of the Junior League, have given invaluable service during the year in assisting the doctors and social worker in the administration of the daily routine. We are most grateful to all of our volunteers for their faithful work, and we consider them a part of the Social Service Department.

There were 13,851 visits recorded in the Medical Division in 1932; 8,799 on week-days and 5,052 on Sundays, 1,588 being new cases. Our Sunday Clinic has grown from a small organization, treating cardiac cases and persons regularly employed on week-days, to a general medical clinic, serving every type of internal medical case. Instead of being a three-hour morning clinic, it now

runs well into the afternoon. A small sub-grouping of gastro-intestinal cases has developed into a Clinic that is attracting nation-wide attention in the treatment of peptic ulcers and allied disorders of the stomach and bowels. The Sunday attendance averages more than a hundred patients, and of these, approximately one-half are "G.-I." cases. Also statistics of cardiac cases are kept by the social worker and reported monthly to the Chicago Heart Association.

The curtailment of ward service has necessitated the development of plans for the home care of many patients who would have been admitted to the Hospital under ordinary circumstances for study and the establishment of a treatment regime. This has intensified the need for social study and the closest of co-operation between doctor, dietitian, social worker, the patient, his relatives, and, in practically every case, the community agency furnishing financial relief. The Visiting Nurse Association has given nursing supervision in the home and scores of patients having diabetes, peptic ulcer, pulmonary disorders, rheumatic and other forms of heart disease and other chronic ailments have been kept under strict observation and have benefited by treatment without entering the wards.

The social worker in the Medical Clinics maintains a 100 per cent contact service with all patients in that she is available at every Clinic session for consultation and assumes the responsibility of treatment plans recommended by the doctor. With an overwhelming proportion of cases known to the case work and relief agencies, the burden of interpretation of the patients' need has increased monthly. The agency must know the diagnosis, prognosis, estimated length of treatment, type of treatment, the work or activity limitations and dietary requirements of every client of theirs who is a Dispensary patient. These interpretations must be given in simple, direct terms that can be understood by laymen and require no little concentration as the bulk of telephone calls and letters increases almost daily. (In the last month 216 letters were written in the Medical Clinics only.)

Miss Frances B. Floore, of the Department of Dietetics, has been most co-operative in her relations with the Medical Clinics and has given a service that is ideal in arranging individual dietary consultations for all Clinic patients. The dietitians consider the patients' income or amount of relief in each case and plan the type of diet recommended accordingly. Patients return to them for check-up consultations when they return to see the doctor and the dietitian assumes the responsibility of sending the advice, food-

lists and sample menus to the relief-agency workers that there may be no misunderstanding about the plans. Every possible effort is made to control diabetes by dietary measure to avoid the expense and physical inconvenience of Insulin. The matter of providing Insulin, liver extract and such expensive forms of medication, receives careful consideration before they are provided and all forms of treatment are simplified to avoid unnecessary expense and to secure the co-operation of all types of patients.

It is significant that only 57 cases of the vast number of patients served by the Medical Clinics were admitted to the wards for free care, in addition to a relatively small number cared for by the funds of the Woman's Board and the recently-planned Free Bed Fund of the Cook County Emergency Welfare Organization.

Securing adequate convalescent care remains a problem, especially as Chicago has no facilities for such care for men and boys. The Chicago Convalescent Home for Women and Children and Grove House continue their policy of giving free care to many women and girls and have given us excellent service in innumerable cases.

The social worker in the Clinic has given several lectures on the aspects of Medical-Social treatment to student nurses during the year and approximately fifty senior nurses were sent by Miss Miles and Miss Napicinski from the Medical Ward for periods of two weeks of service in the Clinics where they have been instructed in the rudiments of Social Case Work. They have made home visits and have written medical-social case histories under the direction of the social worker that they might become acquainted with the intricacies of community relationships, of the individual and environmental problems of social maladjustment and the necessity for preventive effort and after-care in our scheme for "furthering medical treatment and developing the personalities of patients and their families to an ideal point of individual self-expression and community usefulness," which is the aim of Medical-Social Case Work.

We are most grateful to the Woman's Board for their very generous gift, called the Fund for Hospital Care for Social Service Patients. When the Hospital's quota is filled, and an emergency case comes in the clinic, it is taken care of by this fund, so that no emergency case is ever turned away from St. Luke's.

The Helen Shedd Reed Fund for Special Nurses is another fund which has been of the most comforting charity the department has

to offer. A special nurse is furnished free to clinic patients who are critically ill.

Another gift for which we are very grateful is a Chevrolet Car. It was awarded to Mrs. Frank Hixon at our Fashion Show last fall and given by her to our department. Her generosity will enable us to increase the home calls on patients, which is a very vital part of Social Service Work.

Through the Church of the Holy Spirit, Lake Forest, Woman's Auxiliary, Grace Church, Galena, Illinois, Grace Church, Sterling, Illinois, and the Woman's Auxiliary, All Saint's Church, Western Springs, Illinois, we have been supplied with the most delicious jellies. These have been served to our patients through 'the Delicacies Committee and are always greatly enjoyed!

The City of Chicago furnishes busses six days a week, transporting children from the Spalding, Christopher, Jahn and Taylor Schools to be cared for in our Orthopedic Clinics.

We are so grateful for the excellent service given us by our pharmacist, Mr. Zabel, and his assistants for the great number of prescriptions they have filled and the care, attention, and interest Mr. Zabel has given the individuals, as well as our department.

Mr. Wordell has been our constant adviser and with Mr. Pearson has offered every assistance to the department. We are deeply grateful for their sympathetic understanding and willingness to help at all times.

Our great thanks to Miss Armstrong, who, day after day, with whose foresight, care, and guidance the department has been carried on with great success. Her interest is shown, not only in the personnel, but to each individual with whom she comes in contact.

A colored woman, who has frequently been a visitor at St. Luke's, was very ill, so ill, in fact, that there was some doubt as to whether she would recover. To a caller she remarked, "If I could only see my doctor and social worker, I would soon be all right." "What makes you think so?" the caller asked. "'Cause they is agents of the Lawd," she replied.

Respectfully submitted,

MARGUERITE P. WOLF.

ANNUAL REPORT OF THE LINEN COMMITTEE OF ST. LUKE'S HOSPITAL—1932

Madam President and Members:

The work accomplished during the past year, included giving the Hospital 4,391 articles at a cost of \$1,659.64; also supplying the Training School with 2,754 articles at a cost of \$1,366.62. We have continued the salary of the Supervisor of Linen of \$1,348.49 and have paid the rental again of our Vault Box. Twenty-four (24) nurses' uniforms were given the City Contagious Hospital, as a gift from St. Luke's at a valuation of \$16.20. The total amount given the Hospital as shown in the following financial report is \$4,383.69, less \$39.24, the refund for laundry and dining-room uniforms bought by the employees—or a net amount of \$4,344.45.

May we take this opportunity of thanking all those who have given to our funds and supplies and the Churches and Organizations who have helped make our garments during the past year.

Respectfully submitted,

MAY W. ELDRIDGE.
Chairman.

AUDITOR'S REPORT ST. LUKE'S HOSPITAL LINEN COMMITTEE

DECEMBER 31, 1932

Linen Committee, St. Luke's Hospital, Chicago, !!linois.

Mesdames:

We have audited the cash transactions of the Linen Committee of St. Luke's Hospital as disclosed by the Treasurer's records for the year ended DECEMBER 31, 1932, and herewith submit our report together with the attached Balance Sheet at December 31, 1932, and statements of Cash Receipts and Expenditures and Income from Investments for the year.

RECEIPTS AND EXPENDITURES

The total receipts for the year ended December 31, 1932, exceeded the total expenditures by \$1,403.75, compared with excess receipts for the preceding year of \$2,093.87.

The receipts and expenditures for the year ended December 31, 1932, are compared with the corresponding figures for the year ended December 31, 1931, in the following summary:

Receipts:	1932	1931	Increase Decrease
Donations Interest Fashion Show Sale of Dresses, etc.	. 3,605.56 . 2,000.00	\$ 157.00 2,839.36 4,500.00 22.84	\$ 6.00 766.20 2,500.00 16.40
Expenditures:	\$5,807.80	\$7,519.20	\$ 1,711.40
SalarySupplies and Materials Supplies and Materials Miscellaneous	. 3,026.26	\$1,487.50 3,421.65 516.18	\$ 139.01 395.39 486.88
	\$4,404.05	\$4,425.33	\$ 1,021.28
Receipts in Excess of Expenditures	.\$1,403.75	\$2,093.87	\$ 690.12

The decrease in total receipts for the year is due to a reduction of \$2,500.00 in the contribution from the Woman's Board of St. Luke's Hospital in connection with the Fashion Show. This decrease is partially offset by an increase of \$788.60 in incomes from investments, etc., and a reduction of \$1,021.28 in expenditures.

We reconciled the cash in banks at December 31, 1932, with statements furnished by the depositaries and ascertained that all disbursements during the year were supported by cancelled checks, invoices, etc. All receipts recorded in the cash book were deposited in the bank, but our examination of the receipts was limited to verification of the income derived from securities. The unpaid interest due December 25, 1932, on the M. J. and M. P. Gudanieo note was paid on January 10, 1933.

We inspected the notes receivable amounting to \$19,000.00, which are kept in the safety deposit box, and we have received confirmation from the Northern Trust Company that the bonds, of the par value of \$40,700.00, were on deposit in that bank. The accompanying statement does not include the value of any interest which the Linen Committee may have in the principal of the Robert W. Roloson Fund, which we are advised is carried as part of the general endowment funds of St. Luke's Hospital.

Investments are stated at cost and we have made no investigation of their present market values. The notes of the Chicago Automatic Conveyor Company, due July 9, 1932, were unpaid at the end of the year.

Yours respectfully,

EDWARD GORE & CO.

BY-LAWS OF THE WOMAN'S BOARD OF ST. LUKE'S HOSPITAL

ARTICLE I.

The Board shall be called the Woman's Board of St. Luke's Hospital.

ARTICLE II.

Its object shall be to aid the Trustees of the Hospital to provide bedding, table linen, china, reading matter, delicacies, comforts for the sick and furnishings for the Hospital and the Elizabeth Stickney Home (The Training School for Nurses), also to invite the co-operation and secure the help of the Episcopal Churches and all charitable people of Chicago in the work of the Hospital.

ARTICLE III.

Section 1. Membership shall be of four classes: Honorary, Senior, Active and Associate.

Section 2. Honorary Membership may be conferred upon one who has rendered especial or distinguished service to the work of the Board. The name of one desired to be so honored shall be sent in writing, with the reasons therefor, signed by at least two members of the Board, to the Membership Committee. If the name is considered favorably by the unanimous ballot of the Membership Committee, it shall be recommended to the Board where election shall be by ballot. A unanimous vote of the Board shall elect to Honorary Membership. Honorary Members have all the rights and privileges of membership except the right to vote and hold office. Honorary Members pay no dues.

Section 3. Senior Members shall be chosen, on the recommendation or with the approval of the Membership Committee, from those who have served as active members of the Board. They shall have the right to attend all meetings, may vote at all meetings and have all the rights and privileges of active members except that of holding office. Senior members shall not, unless volunteering or expressing a desire so to do, be considered available for active work or service at the Hospital. Senior mem-

bers shall pay annual dues of \$15.00.

Section 4. Active Members shall not exceed sixty in number; shall pay annual dues of \$5.00, and have all rights and privileges

of membership.

Section 5. Associate Members pay annual dues of \$10.00. They shall have the right to attend meetings of the Board, and shall be notified by card of the annual meetings. Associate Members do not vote nor hold office.

Section 6. Candidates for membership on the Board shall be recommended in writing by two members of the Board to the Membership Committee. The Membership Committee shall vote by ballot upon candidates so recommended, and upon unanimous vote same shall be referred to the Board for final action. The Board shall vote by ballot upon candidates recommended by the Membership Committee. Three negative votes shall defeat election.

Section 7. The Membership Committee shall consist of the three Vice-Presidents with the Second Vice-President as Chairman and two non-office holding members to be elected by the Board at the Annual Meeting.

ARTICLE IV.

Section I. Officers: The Officers of the Board shall be a President, three Vice-Presidents, Recording Secretary, Corresponding

Secretary and a Treasurer.

Section 2. At or prior to the November Meeting of the Board the President shall appoint a Nominating Committee of five members, whose names shall be announced by the Recording Secretary at the November Meeting. To this Committee shall be entrusted the recommendation of a ticket consisting of at least one name for each office to be filled. No one shall be recommended by the Nominating Committee whose consent to serve has not been first obtained. The ticket so prepared shall be announced at the December Meeting. After which a copy shall be mailed to all voting Members of the Board, and shall be presented to the Board at its January Annual Meeting, at which meeting nominations may also be made from the floor. The election shall be by ballot and a majority vote shall elect.

Section 3. The officers elected at the annual meeting shall serve one year and until their successors shall be elected and

qualified.

ARTICLE V.

Section I. There shall be an Executive Committee consisting of the Officers of the Board and Chairmen of all standing committees. The Executive Committee shall meet at the call of the President.

Section 2. It shall be the duty of the President to preside at all meetings, appoint all committees not otherwise provided for, and perform the ordinary duties of the President.

Section 3. The first Vice-President shall perform all the duties

of the President in her absence.

Section 4. The Second or Third Vice-President shall perform the duties of President, in the absence of both the President and

the First Vice-President. The Second Vice-President shall be the Chairman of the Membership Committee.

Section 5. The Corresponding Secretary shall conduct all correspondence on behalf of the Board, and shall send the usual

notices of meetings.

Section 6. The Recording Secretary shall keep and preserve reports and minutes of all the meetings, and shall mail copies of the minutes to the President and Corresponding Secretary. She shall also perform such other duties as may be directed by the Board.

Section 7. The Treasurer shall collect the dues and receive the Funds of the Board, and shall pay out money only as directed by the Board. She shall keep such records as may be prescribed by the Board, and shall submit to the President each month an accurate exhibit of receipts and disbursements.

ARTICLE VI.

Section I. The annual meeting of the Board shall be held on the fourth Wednesday in January at 10:30 a.m., at which time the annual dues of \$5.00 shall be paid.

Section 2. The regular meetings of the Board shall be held at St. Luke's Hospital, on the first Wednesday of each month from

October to June inclusive.

Section 3. Seven members shall constitute a quorum for the transaction of business at all meetings, including the Annual Meeting.

ARTICLE VII.

Section I. Order of Business. The order of business for the Annual Meeting shall be as follows:

- (a) Prayer.
- (b) Roll Call.
- (c) Minutes of last Annual Meeting.
- (d) Reports of Officers:

President.

Vice-Presidents.

Corresponding Secretary.

Treasurer.

Auditor.

(e) Reports of Standing Committees:

Emergency.

Support of Free Beds.

Furnishings.
Delicacies.
Nurses.
Kindergarten.
Linen.
Social Service.
Membership.
Nominating.

- (f) Nominations from the floor.
- (g) Election of Officers.
- ĺή) New business.
- (i) Adjournment.

Section 2. Order of business for the regular meetings of the Board shall be as follows:

Prayer. Roll Call.

Reading of the Minutes of the Previous Meeting.

Report of the Corresponding Secretary.

Report of the Treasurer.

Reports of the Chairmen of various Committees.

Miscellaneous Business.

ARTICLE VIII.

Duties of Members.

It shall be the duty of the members of the Woman's Board to attend the monthly meetings. A fine of \$1 for each absence from Board Meetings shall be assessed, except in the case of non-resident members.

ARTICLE IX.

Section I. All Committees shall have power to increase their membership, adopt rules not inconsistent therewith, elect their own officers, the chairmen being members of the Board. Committees shall hold regular meetings at which the work of such committee shall be organized and transacted. The Chairman of each Committee shall report to the Board plans of work contemplated, and written report of the work accomplished.

ARTICLE X.

These By-Laws may be amended by a two-thirds vote at any regular meeting, notice in writing of the proposed amendment having been sent to all members of the Board.

ANY PERSON DESIRING TO BEQUEATH A LEGACY TO THIS CHARITY IS REQUESTED TO DO IT IN THE FOLLOWING MANNER, VIZ:—

FORM OF DEVISE OF REAL ESTATE

I give and devise to ST. LUKE'S HOS-PITAL, of Chicago, a corporation existing under the laws of the State of Illinois, for its corporate purposes, all that, etc.

(Here describe the property)

FORM OF BEQUEST

I give and bequeath to ST. LUKE'S HOS-PITAL, of Chicago, a corporation existing under the laws of the State of Illinois or to the Treasurer thereof for the time being, for its

corporate purposes, the sum of

Dollars
